** In most cases, the Initiation Fee is **refundable up to 90%** depending on membership longevity.

*** The hourly rate is based on a **Dry Tach hour**. Members are responsible to fuel the aircraft after use.

**** Monthly dues **include two (2) hours of flight time** that can be used for flying, or banked. Members can bank as many as 24 hours (or a year's worth of hours) before they need to start using them. Pre-charging the two (2) hours promotes the use of our aircraft.

Payment is due the 1st of each month. After the 15th of the month you are delinquent and will lose all scheduled flying time and are grounded until paid in full.

Hours above and beyond those prepaid are to be paid by a check in the tach box when you finish the flight or on the 1st of the month when you pay your dues.

We have instructors that are approved by the club. They currently charge about \$35.00-\$45.00/hour.
